Dear Assistant Professor Maria Bottis,

M. Sc. Jani Koskinen has submitted his doctoral thesis "*Datenherrschaft - An ethically justified solution to the problem of ownership of patient information*" to the Committee for Research and Doctoral Studies of Turku School of Economics, University of Turku.

After hearing the Committee for Research and Doctoral Studies, the Vice Dean of Turku School of Economics, Professor Aino Halinen-Kaila appointed You to write a statement on Jani Koskinen's doctoral thesis (please see instructions enclosed). The Vice Dean will decide to grant a printing permit for the thesis on the basis of this statement. Please note that the statement should be given within three months from the receipt of the manuscript. Professor Mark Coeckelbergh (De Montfort University, UK, mark.coeckelbergh@dmu.ac.uk) will be acting as the other preliminary examiner. ✓

A fee will be remitted to you on receipt of your statement. Please return the invoice form and statement to:
