

IAFeS - International Association for eScience

The association, whose activity is not directed towards profit, aims:

- to promote the development, education and research in the area of eScience:
Information and communications technology (ICT), telecommunications, e-learning, e-media, e-commerce, e-government, e-democracy, e-culture, e-health, ...
- to promote young researchers in these areas
- to offer an exchange platform for experts
- to offer an international co-operation platform
