Dear Maria Bottis,

On behalf of the Hochschule der Medien Stuttgart I want to thank you for your excellent presentation at the International ICIE Symposium that was held at the Center for Art and Media (Karlsruhe, Germany) on October 4-6, 2004. As you know, this event was sponsored by the Volkswagen Foundation. It was a meeting of excellence at which only 50 selected experts from all over the world were chosen in order to discuss on ethical and intercultural aspects of the internet. The website of the symposium can be found at: <http://icie.zkm.de/congress2004> The proceedings will be published in the International Journal of Information Ethics (IJIE: <http://www.ijie.org>) in November 2004. If you want to make any amendments on your excellent paper before its publication, please let me know.

It was a great pleasure to have you as our guest in Karlsruhe and I wish a further fruitful cooperation in the future.

kind regards,

Prof. Dr. Rafael Capurro
Head of ICIE
