RE: TORT Hellas

Dear Prof. Canellopoulou Bottis,

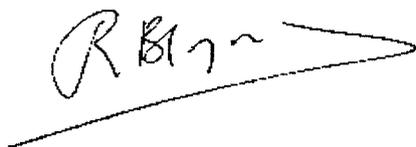

May I thank you again for your wonderful monograph on Tort Law Hellas. Prof. Stijns – the editor of the IEL Tort Law – and I agreed that your excellent monograph, which quality was far above average, contributes a great deal to the IEL Tort Law.

May I ask you to keep it up to date in time?

As you are also the author for other IEL monographs yet unpublished, I am certainly looking forward to receiving them, since I am positive that they will be outstanding as well.

As this is the time to do so, I wish you a Merry Christmas and a happy New Year.

Yours sincerely

Prof. Roger Blanpain
